Exhibitors must show only goods manufactured or dealt by them in the regular course of business. Should an article of non-exhibiting firm be required for operation or demonstration in an exhibitor's display, identification of such article shall be limited to the usual and regular nameplate, imprint or trademark under which same is sold in the general course of business. No firm or organization not assigned exhibit space will be permitted to solicit business within the Exhibit Areas.

4. EXHIBITORS AUTHORIZED REPRESENTATIVE. Each exhibitor must name one person to be his representative in connection with installation, operation and removal of the firm's exhibit.
